Scholarship Application

Please note that completing the scholarship form or being notified that you've received a potential scholarship DOES NOT REGISTER you for a workshop. All workshops frequently fill up several weeks in advance. Be sure to take responsibility for officially registering, including paying the non-refundable deposit, as soon as possible. Simply talking with someone in the Bethesda Workshops office about a scholarship (including being notified that you potentially qualify) does not register you for a Healing Workshop.

The *non-refundable* workshop deposit must be paid when you register. **Scholarship funds cannot be used for any part of the deposit.** Paying the deposit is your investment in the workshop – your taking ownership for this process.

The maximum scholarship value is 25% of the total workshop cost, and most who are awarded have a family income of \$45,000 or less.
